

2020 Crystal Frolics

New Venue - New Opportunities

2020 Crystal Frolics

Join the Discussion

Crystal Community Center

Monday, September 30 at 7:00 pm
4800 Douglas Drive North

Crystal Frolics is an annual summer event with a strong 60-year history. With the new Becker Park nearly complete, we invite you and your family to share your ideas on how to expand this community event. Our goal is to highlight the people and places that make Crystal great!

Add your voice to the discussion. We would like your thoughts on entertainment, activities, food (trucks) and art. For more information, contact John Elholm at john.elholm@crystalmn.gov or 763-531-1150.
